# RULES

The team composition for selection will fall under the age groups they would play the Nationals at year end. Board 1-25 will be composed as follows

- U8-U10 (6 players)- if a team has no registered U8s, they may use U10s. (Board 1-6)
- U12 (3 Players) (Board 7-9)
- U14 (3 Players) (Board 10-12)
- U16 (3 Players) (Board 13-15)
- U18-U20 (3 Players) (Board 16-18)
- Open (7 Players) (Board 19-25)

This equates to a 25-player squad, out of which 5 need to be ladies at the very least. If teams are short in any areas, they may make this known asap and borrow players.

We expect to have 6 teams (if we have less than 6 regions participate; we will create wild card teams until we have 6 teams)

Board 1-18 will play in a swiss against each player on the corresponding board (For example all board 5s will be in one tournament). 5 rounds at 15+3. Each point or half point scored will be counted towards the team tally.

Board 19-25 will play 3+0 match (best of 6, 3.5points required to win the mini match, at 3-3 it declared a draw) against each of their opponents on the corresponding board. Each won match will count as 1 point to the team tally, and each drawn match will count as 0.5 points towards the team tally.

Please accept the invite by 10 June to indicate if the invited region will participate. We would like to select an EC team to challenge other provinces. Hopefully in 2021 we can do this over the board in classical format!

5 rounds with each round, 25 team points are up for grabs. Each Region can have a rep that coordinates with the other regions
